

# HATCHERY OPEN HOUSE

**Help Us Celebrate Another Year of Seabass  
Releases in Southern California Waters!**

**Saturday, January 28<sup>th</sup>, 2012**

at

**Hubbs-SeaWorld Research Institute's**

**Marine Fish Hatchery**

**4200 Garfield St. Carlsbad CA, 92008**

**Morning Tours – 10:00am (volunteers from San Diego to Newport)**

**Afternoon Tours – 1:00pm (volunteers from Huntington to Santa Barbara)**

**BBQ will be at 12PM for both groups and is provided by  
The United Anglers of Southern California**

**Hatchery tours will be provided for all in attendance –wear closed-toed,  
flat-soled shoes that will keep your feet dry in biosecurity footbaths.**

**There will be no parking on the streets near the hatchery or at the hatchery.  
Reserved parking has been made available by NRG Energy, so it is most important  
that each attendee RSVP to receive clearance to be on the power plant property.  
Shuttles provided. Attendees not on list will not be allowed to park. Those attending  
will be given directions.**

**Attendees must RSVP by January 26<sup>rd</sup>, 2012**

**Contact Kenton at 760-434-9501**
