4th of July YT TOURNAMENT

4th of JULY

If you were in Dana Point Harbor or anywhere close by on the 4th, you probably got wet. Anything from regular water guns to fire hoses connected to water pumps and everything in-between was used to try and wet down young and old alike.

PRESIDENT RICK FULLER

If you ventured out with costumes such as Uncle Sam, aka Club President, Rick Fuller, then your chances of a good soaking were increased.

JUST CRUSIN'

There wasn't much fishing by Club Members on the 4th because most were shooting water and celebrating. The fireworks display

were spectacular this year and went off without a glitch.

JULY 4TH

2008 YELLOWTAIL TOURNAMENT

WOW! WOW! WOW! What a Tournament. As Pat Holmes .so aptly posted on the Web, “It says a lot when you have to break a World Record to win our Club Tournament”. Most of the Club boats headed to the “Vees” at Catalina where the YT and WSB were biting in the early AM. After we (Dave, Neil, and myself) struck out there on Friday, Dave and I decided to head south to the “209”-“181” where thank goodness we connected with Dirty Deeds and his Guest on “DIRTY DEEDS”. Thanks again Dan. There was not much heard on the radio until Bob Waters put out the word of his 30lb class fish on heavy line in the AM off the “Vees”.

Bob's 29.7 lb'er

“SKIPPED OUT” had a bait pump problem and had gone in early Sunday with no-one knowing what they had caught.

Rodger's 19.7lb'er on 16#

Dan's 16.9 lb'er on 20#

Dirty Deeds found the first paddy with biting YT and broke off a couple and I broke off one, then they stopped biting and Dirty Deeds found another paddy close by and hooked up on 8lb only to lose it at the boat after a lengthy fight.

Dirty Deeds Dan on 8#

“SCOT FREE” slid in while Dan was fighting his fish and Dave decided to fish with heavier line, so he moved up from 6# to 8# and got hooked up. The fight was then on for 1 hour and 40 minutes which resulted in a Pending IGFA World Record of 32.9 lbs on 8#.

Dave's 32.9 lb'er on 8#

This will break Dave's current IGFA World Record of 26.6 lbs on 8#.

"Heard On The Docks"

> Cowboy sure is laying low these days.

> If you haven't heard the one about the guy fishing when his wife got sick, ask Lauryl Schumacher to explain.

> The transmission virus has switched to bait pumps say "REEL INN", "SCOT FREE" and "SKIPPED OUT"..

> "EL PATRON" had a rough ride home and did a little damage on the trip up from Cabo..

> Rick Fuller mixed up his tides on the night of the 4th and could not get the "ESCAPE ROUTE" under the bridge.

.
> After the "Fireworks" on the 4th, Dave had to haul in 50 feet of anchor chain by hand on the "SCOT FREE"

> Don't call me "Big Dog" anymore, Thank You, its "Dirty Deeds" now.

> Always close your inlet water valve when working on your raw water pump, warns Randy.

> There's a "d" in Rodger and only one "e" in Healy.

Shirts from AFTCO / Bluewater

Jig Stop has the White Sea Bass Shirts from AFTCO / Bluewater for sale, they make great presents, half the proceeds from the sale of these shirts come back to the Dana Point Fisheries Enhancement Program which is the organization the club started to support the white Sea Bass grow out pens in the harbor. We really need funds every year to pay for up-keep of the pens, new containment nets, divers cleaning fees, new feeder motors and zinc plates, etc, any contributions are a big help in keeping this program going. ~John Riordan~
