## HALIBUT TOURNAMENT 3-B TOURNAMENT-PICNIC

### HALIBUT TOURNAMENT

Another Tournament with a little action but not from the fish biting. The Tournament got off to an early start with Rodger Healy pre-fishing the week-end before the Tournament. BLACK FLAG and a couple of others targeted the Domes area while most of the other boats were around 3-arch and Salt Creek and a couple even ventured to Catalina. Pre-fishing was the “smart” (I use that word sparingly) thing to do for Rodger. Dan Schumacher and Rodger were the only anglers to catch any legal halibut. They had 2 legal and Dan got both of them. The most excitement came as Dave Peter on the MOORE FUN lost his “BIG” halibut to a seal before I could gaff it after failing with the net.

there, this turned out to be a lot harder than most of us had planned on! Congrats to all the anglers and to everyone who attended. A special thanks to Dan and Lauryl for doing another outstanding job on the BBQ! and another thanks to Dan S for helping me out with the tournament I would have never made it through the day without his help!"

**3-B TOURNAMENT-PICNIC**

“This turned out to be another tough tournament for DAC anglers who faced dropping water temps and ugly dirty green water. What had been a pretty decent bass bite leading up to the 3B did a complete 180 and resulted in a slow day of fishing. A few of us even had beautiful live squid and still could not get bit talk about frustrating!!! The hi light of the morning was when Pat & Sara came around the jetty in the new Porta Hawk with DAC burgee flying high just minutes before the shotgun start! We took off right at 6:30 with 3 boats running for Catalina and the rest of us spreading out along the local coast everyone that stayed local seemed to have the same plan get a legal calico in the tank and take it from
