HOLIDAY TIME HAPPY THANKSGIVING

FISHING

I think the “Fat Lady” has been singing for a while for the local scene. There was quite a good showing of albacore, YT, YFT, and BFT down below at the 390 and 213 spots recently although the albies were on the small size, it was a chance to pull on something. If you wanted fish, you had to go to the East Cape or Cabo. Rick Fuller and I joined Rich Palys for his annual trip to the East Cape for the “East Cape Classic” Tournament, which is a charity Tournament put on by Lynn Rose Tours for the town of Los Brailles. Not wide open but our group did manage a few tuna, dorado, sailfish and 1 marlin.

Rich's Sailfish

Also Rick, I, and a friend got to fish out of Cabo during an epic showing of striped marlin.
