JUNIOR TOURNAMENT LADIES TOURNAMENT

JUNIOR TOURNAMENT

Most of the species were around even though they were a few miles away. "MOORE FUN", running very slow, followed "SKIPPED OUT" and "DIRTY DEEDS" to the 182 Spot, but arrived only after the epic bite Dan Schumacher experienced on the YFT shut down. Fished the area for a while and Spencer managed to catch a YFT and dodo with the YFT being the First Tuna for a Junior.

With Bob Waters under the weather, "TUNACIOUS" was not able to fish on Saturday but Bob and Tina took Zach for a long ride on Sunday. The fishing and weather had changed for the worse in one day so they got beat up without catching a fish. Bob did however take Zach out later and Zach was able to catch a YFT

Button fish on 16# and also a nice dodo.

2008 LADIES TOURNAMENT

The Ladies Tournament was the beginning of a big week-end for the "HOT SPOT". Not only did Kathy release a marlin on Saturday and win the Tournament but Rich released one on Sunday. This won Rich and Kathy the "Husband and Wife Trophy". Both marlin were also 50# button fish. "DIRTY DEEDS" made the long run south only to get beat up and not catch any qualifying fish. They did manage a bonito and skipjack. "ESCAPE ROUTE"

hooked a marlin on the jigs for their Guest, Christy, who fought it for 20 minutes before losing it.

“Heard On the Docks”

- While looking over the side at dolphins following the boat, Christy Fuller exclaimed “that one has stripes” just before “ESCAPE ROUTE” gets jig bit.
 - Awoke to a big crashing sound the second morning of the Peskys to see Rich Pomo sitting on the deck of the cockpit holding his head while Kathy was standing above him. Rich says he fell down the stairs from the helm but can we believe anything that is said during the Pesky.
 - Could filleting your fish before the weigh in be considered “mutilation”?
 - **Mr. & Mrs. Pat Holmes.**
- ## **“CONGRATULATIONS”**
- “SOUND INVESTMENT” must have been aided by the winds and rough seas with his troll pattern in the Pesky.
 - Did you see the Gift Certificate for Fuel that Rick won at the Pesky Banquet? If not, Rick will show it to you.

- The rough seas were too much for “ESCAPE ROUTE”, Rick broke a trim tab trying to keep her level.
- There is an APB out for the missing Tournament Control Boats in the recent DAC Tournaments.

Shirts from AFTCO / Bluewater

Jig Stop has the White Sea Bass Shirts from AFTCO / Bluewater for sale, they make great presents, and half the proceeds from the sale of these shirts come back to the Dana Point Fisheries Enhancement Program which is the organization the club started to support the white Sea Bass grow out pens in the harbor. We really need funds every year to pay for up-keep of the pens, new containment nets , divers cleaning fees , new feeder motors and zinc plates , etc. Any contributions are a big help in keeping this program going. ~John Riordan~
